

GROUP SALES TESTIMONIALS

"Our group had an amazing time. The entire crowd really loved the show. I've seen most of the shows in the last few years and I knew it would be great – but this one really exceeded even my high expectations. The Second City is a real gem in Toronto; we're lucky to have been able to attend such a well-executed (and hilarious) production. I don't think I've ever planned a social event for my company that was so universally well received. Thanks to you for making it so easy to plan. Can't wait to come back and see another!"

- Jaime-Leigh Fairbrother, NorthWest Health Care Systems

"We had a great evening. The meal at Gretzky's was delicious, the service outstanding and the show at Second City was hilarious. The ladies hadn't laughed so much in years."

- Loretta, Euchre Club

"We had our office holiday party last night at The Second City and it was wonderful! All the staff at the restaurant and at the show were fantastic!!! Everyone was very organized, we didn't feel rushed the entire evening. Things were perfectly timed. Everyone had a wonderful evening. We will definitely do this again!"

- Joanna Cromie, Digital Vantage Point Inc.

"The event last night was awesome. There was more than enough food, the wait staff was excellent and the show was hilarious! Don't know why I have not done this before!"

- Alda Silva, Manulife Investments

"The evening at Second City was extremely well received and I definitely hope to work with you again in the future. We brought our Conference attendees to a buyout performance at The Second City and it was a huge success! The actors' performance was professional and hilarious, while also being relevant and appropriate for our diverse global audience. The planning team was also a delight to work with and I would book another event with them in a heartbeat. If you're looking to unwind and have fun, The Second City Toronto is the venue for you and your group. I highly recommend it."

- Katie Kelly, GuestLogix Inc.

"Holy crap, what a great evening! The show was an unbelievable hit with our team. Everyone was talking about it the whole next day. So many people came up to me to say what a great idea it was to have our entertainment at Second City! Thanks for all your help!!!"

- Jay Cormier, Best Buy Canada

"We had a GREAT time at Second City. The experience from start to finish was fantastic. Dinner service was efficient, quick, delicious, and most importantly, hot, and the show was brilliant. Our department really needed a night out of laughter and fun, and that is what we had. Thank you to all staff at Second City and Wayne Gretzky's who made this evening a memorable one."

- Marlo Paterson, Tim Hortons

"The night was great. The dinner was good and with great service. The show was excellent. After 2 long days of 2015 Sales Meeting and another day to go it was really great to have a night out. All my colleagues love it they told me it was a really great idea, we all have a lot laughs. Service was great with Jonathan our server. Thank you, it was a great night!"

- Carole Cristicini, WINTERGREEN

"Everything was great! Reservation was smooth, our section was ready and waiting, great table service, and the show was hilarious! We don't go out as a group very often, but I definitely heard some folks say they'd be back to see other shows. Really successful night for us a team. Many thanks again."

- Leslie Charlton, Ministry of Tourism, Culture and Sport

"Everybody had a wonderful time. The performance was cleverly written and well executed. I have always held that comedy is tremendously under-rated. It is much harder to write than drama. To keep a wide variety of people laughing from start to finish is a rare gift indeed. Thanks to all the staff and performers for making our office event such a hit! We'll be back for more."

- Simon Liston

"We had a fantastic time! Everyone loved the show, and we were all so glad we'd come. The seating was great. Thank you for making this so easy to organize."

- Danielle Weber-Adrian

"The show was great and I think we all laughed up a lung. It was a real departure from what we usually do for our annual holiday lunch and I think everyone really enjoyed themselves. Thanks again!"

- Connie

"Everything was perfect and yes my wife was thoroughly surprised. The show was spectacular and the whole group commented on how they would make a point of coming back to see more shows. I will definitely keep you guys in mind for future personal and business functions."
